Supporting Documentation:

PDF: [2.4.1 OPEN SPACE PLAN - PLAN OF CONSERVATION AND DEVELOPMENT](#)

Documentation Details: 2.4.1 - Plan of Conservation and Development -The City of NB POCD 2010-2020 is attached. The Open Space Plan section begins on pg 63, the inventory is pg 64, Open Space map # 16, pg 65. The City will begin a POCD update in the coming fiscal year including open space assessment and planning. 2.4.2: As a heavily developed municipality the city of NB has most of it's open space protected as City parks, watershed land, land trust, property or under conservation easements. No new acquisition is foreseen. 2.4.3 - NA The City of NB has no comprehensive Open Space Plan, per se. NB Water Bureau oversees watershed mgt. Public Works/ Parks and Rec. Dept. oversee park mgt. 2.4.4 - The 2020-2030 POCD planning efforts will give due consideration to Open Space considerations. NB Water Dept. and Parks and Rec. will continue responsible mgt. of their resources. 2.4.4a - All public park and watershed land is fully protected by municipal ownership, virtually all other viable open space land is protected by conservation easement or land trust ownership. 2.4.4b - None planned. As a heavily developed urban community, there is virtually no potential for additional open space acquisition.

2.6 Manage for Drought and Municipal Water Use

5 Points

Approved Information: 2.6.2 Drought Restriction Ordinance (5 points)

PDF: [WATER USE RESTRICTION ORDINANCE](#)

PDF: [WATER FAQS 2020](#)

PDF: [WATER SAVERS 2020](#)

Documentation Details: While New Britain currently has no formal policy in place to utilize WaterSense labeled products, it does, however, have a robust Drought Communications Plan which includes: • Emergency Sources • Drought Response Stage triggers • Who should be notified and what actions are to be taken by phase. In addition, the New Britain Common Council has enacted an Ordinance outlining Water Use Restrictions when the City has imposed restricted water use contingent on the State's water use restrictions. Also, to assist our customers, two documents "FAQs" and "Water Savers" reside on the City's website to assist the customers with water conservation ideas that can be used at any time – not just when water use is restricted.

Each section of this document also identifies which of the other attached documents applies to the section being discussed.

Partners: Capital Region Council of Governments (CROG) - Big supporter of the City's Complete Streets project, and helped facilitate funding for some of our projects. Connecticut Department of Transportation (CDOT) - Big supporter of the City's Complete Streets work, and also major partner on several projects and most notably our Phase 5, Beehive Bridge project. Bike Walk CT - A major partner to both the City, and our local bicycle advocacy group, Bike New Britain. Together we've partnered on a number of events from our annual child and bike safety focused "Bicycle Rodeos" to our annual National Bike to Work Days events, and 4 year partnership on the Discover CT Bicycle Tours which have been based out of the New Britain Museum of American Art in 2019, 2018, 2016, and 2015. Several citizen and stake holder working groups were also involved in the implementation of the City's Complete Streets Master Plan, Bicycle Connectivity Plan, and planning for projects like the Beehive Bridge.

Additional Information: Working with Alyssa Norwood, the City's Director of Public Works, Mark Moriarty, served as the co-chair of the transportation working group that helped determine the sustainable transportation related criteria that municipalities would need to satisfy to achieve Sustainable CT recognition. All of the meetings held to discuss and determine this criteria were held right in New Britain City Hall. Director of Public Works Moriarty still also serves on the Sustainable CT Municipal Certification Committee.
