Sustainable CT Community Certification Report

This is the Sustainable CT Certification Report of East Hampton, a Sustainable CT bronze certified applicant.

East Hampton was certified on October 01, 2026 with 290 points. Listed below is information regarding East Hampton's Sustainable CT efforts and materials associated with the applicant's certified actions.

Contact Information

The designated Sustainable CT contact for East Hampton is:

Name:	DAVID PRICE
Title/Position:	TASK FORCE MEMBER / EH CLEAN ENERGY TASK FORCE
Phone:	8604601009

Actions Implemented

Each approved action and supporting documentation for which East Hampton was approved for in 2026 appears below. Please enjoy this opportunity to view and learn from the information and materials provided.

Notes: Submission content was created by East Hampton, and Sustainable CT makes no claims, promises or guarantees about the accuracy, completeness, or adequacy of the submission, beyond that an individual reviewer approved at least some elements of the action for certification. Further, standards for actions below may have changed, and the documentation listed may no longer satisfy requirements for that action. Finally, approved actions here may include some documents and descriptions in support of action elements that were not approved, in addition to elements that were approved. In preparing your own application, please rely only on the action write-ups for the current certification year to guide your submission. Please contact info@sustainablect.org with specific questions.

1. Inclusive and Equitable Community Impacts

1.1 Optimize for Equity – REQUIRED for All Certification Levels

10 Points

Approved Information: 1.1 - 10 points

Supporting Documentation:

PDF: ATTACHMENT 1 - SCSTF FINAL REPORT WITH APPENDICES.PDF

WORD: 1.1 EQUITY TOOLKIT - EAST HAMPTON.DOCX

Documentation Details: The Equity Tool Kit for the East Hampton Senior Center and Services Task Force is contained in "1.1_Equity Toolkit_East Hampton.docx". Attachment 1 provides the East Hampton Senior Center and Services Task Force - End of Year Report (Jan. 2026).

Partners: This action was performed with support from the East Hampton Senior Center staff, the Senior Center and Services Task Force (SCSTF), and East Hampton Town Council.

Additional Information: The Action was implemented in association with “Action 13.1- Implement Your Own Sustainability Action – East Hampton Senior Center and Services Task Force”.

2. Thriving Local Economies

2.1 Support Redevelopment of Brownfield Sites

45 Points

Approved Information: 2.1.1 - 15 points; 2.1.3 - 10 points; 2.1.4 - 20 points

Supporting Documentation:

WORD: 2.1.1 - EAST HAMPTON - BROWNFIELD INVENTORY.DOCX

PDF: 2.1.4 - EAST HAMPTON - PHASE I OR PHASE II ENVIRONMENTAL ASSESSMENT.PDF

Documentation Details: 2.1.1 - East Hampton - Brownfield Inventory (15 points total) 2.1.1 - Brownfield Inventory East Hampton 2026: Provides and inventory of brownfield sites in East Hampton. (10 points) 2.1.1 - Map East Hampton Brownfields 2025: Provides a map of the brownfield sites in East Hampton. (5 points) 2.1.3 - East Hampton - Brownfield Grant Proposal (10 points) 2.1.3 - Brownfield Grant Award Letter - Cleanup 3 Walnut: The Connecticut Department of Energy and Environmental Protection's (DEEP) Remediation Division award letter to the Town of East Hampton. A grant in the amount of $250,000.00 in response to East Hampton application for funding under DEEP's CERCLA 128(a) Grant Program, Round 3, for the Village Center Green Space cleanup project. (10 points) 2.1.4 - East Hampton - Phase I or Phase II environmental assessment, (20 points total) 2.1.4 - 13 Watrous Street Report - Phase I (10 points) 2.1.4 - 13 Watrous Street Report - Phase II (10 points) 2.1.5 - East Hampton - Brownfield Public Engagement (5 points) 2.1.5 - Brownfield Site Walk Agenda 2.1.5 - Brownfields Site Walk Handout

Partners: 2.1.1 - The East Hampton Brownfields Redevelopment Agency (EHBRA): The EHBRA is a seven-member volunteer agency tasked with facilitating the redevelopment of the Village Center area through the identification, assessment, and remediation of soil and groundwater contamination.

Additional Information: Originally established as the East Hampton Brownfield Revitalization Steering Committee in November 2003, the town created the East Hampton Redevelopment Agency by Town Ordinance (Chapter 120) and State Statute (CGS §8-126) in April 2007. In 2009, the Redevelopment Agency was merged with the Brownfields Committee, and the new name of the Agency became the "East Hampton Brownfields Redevelopment Agency" (EHBRA). The EHRBA is, at its core, a planning agency. It seeks to complement the efforts of East Hampton's Economic Development Commission, Planning and Zoning Commission, and other land use boards to provide residents and business owners with a comprehensive vision for redevelopment. Additionally, the EHBRA will provide the leadership and expertise to implement specific initiatives to assess and remediate contaminated properties.

3. Well-Stewarded Land and Natural Resources

3.1 Provide Watershed Education

5 Points

Approved Information: 3.1.1a - 5 points

Supporting Documentation:

PDF: 3.1.1B - WATERSHED EDUCATION BROCHURE PG1.PDF

PDF: 3.1.1B - WATERSHED EDUCATION BROCHURE PG2.PDF

PDF: 3.1.1B - WATERSHED EDUCATION POSTER.PDF

Documentation Details: 3.1.1b - Watershed Education Brochure pg1 / https://www.easthamptonct.gov/DocumentCenter/View/1154/Brochure-Page-1-PDF • This document is a brochure that was developed to help educate residents on the things that impact lake health and simple measures they can take to help protect Lake Pocotopaug. Posted on East Hampton Town website Q2 2018. 3.1.1b - Watershed Education Brochure pg2 / https://www.easthamptonct.gov/DocumentCenter/View/1152/Brochure-Page-2-PDF • This document is a brochure that was developed to help educate residents on the things that impact lake health and simple measures they can take to help protect Lake Pocotopaug. Posted on East Hampton Town website Q2 2018. 3.1.1b - Watershed Education Poster.pdf / https://www.easthamptonct.gov/DocumentCenter/View/1153/Brochure-Poster-PDF • This document is a poster that was developed to provide residents with a 21 step process for conserving Lake Pocotopaug. Posted on East Hampton Town website September 9, 2025.

Partners: 3.1. Provide Watershed Education - The Town of East Hampton contracted with North East Aquatic Research to design a 9 Point Watershed Plan that focused on cleaning up the watershed to help eliminate or reduce nutrient loading into Lake Poctopoaug. This plan has been instrumental for the town to secure grant funding to help develop and implement BMP's throughout our watershed, the plan also incorporates changes from the Planning and Zoning Commission which recently amended their protection zone regulations to help maximize water pollution prevention and ensure enforcement authorities were identified by creating and adopting a town wide Low impact Development plan of action.

Additional Information: In 2006, the Town of East Hampton created the Lake Pocotopaug Conservation Commission to protect Lake Pocotopaug, the Connecticut River, and other streams and tributaries of same within the Town of East Hampton by: • Providing a Watershed Management Plan with annual updates that protect the environmental aspects of the Lake Pocotopaug ecosystem and watershed area and other possible watershed management areas, including but not limited to the Connecticut River, Salmon River and Pine Brook, improves water quality and ensures appropriate ongoing maintenance and monitoring. • Evaluating and monitoring the environmental and biological needs and conditions of Lake Pocotopaug, the Salmon River, the Connecticut River, and other streams and tributaries of same within the Town of East Hampton and actively investigate grant opportunities. • Keeping an index of all open areas, publicly or privately owned, including open marshlands, swamps and other wetlands, for the purpose of obtaining information on the proper use of such areas and may, from time to time, recommend to the Planning and Zoning Commission plans and programs for the development and use of such areas, which may include the acquisition of conservation easements. • Recommending the acquisition of land and easements to the Town Council for the purpose of open space or recreational use. The Commission, upon approval of the Town Council and Town Meeting, may receive gifts of land and easements in the name of the Town of East Hampton for purposes not inconsistent with this chapter. • Recommending to the Town Manager or designee best management practices for land management on Town-owned properties. • Being the advisory resource of information from and among each of the Town agencies with respect to any aspect of conservation of natural resources, including water resources. • Providing a Watershed Management Plan

with annual updates that protect the environmental aspects of the Lake Pocotopaug ecosystem and watershed area and other possible watershed management areas, including but not limited to the Connecticut River, Salmon River and Pine Brook, improves water quality and ensures appropriate ongoing maintenance and monitoring. • Evaluating and monitoring the environmental and biological needs and conditions of Lake Pocotopaug, the Salmon River, the Connecticut River, and other streams and tributaries of same within the Town of East Hampton, and actively investigate grant opportunities. Furthermore, the Commission: a) on a periodic basis, but not less than annually, report to the Town Council the environmental conditions of open space, greenbelts, Lake Pocotopaug and its watershed, the Salmon River, the Connecticut River, and other streams and tributaries of same within the Town of East Hampton, any changes in conditions, and recommend steps to remediate or improve such conditions. b) work in cooperation with state environmental agencies to conduct water quality management studies, establish educational programs and disseminate information regarding the care, preservation and protection of Lake Pocotopaug, the Salmon River, the Connecticut River and other streams and tributaries of same within the Town of East Hampton by area residents and the general public. c) review all applications submitted to the East Hampton IWWA, Planning and Zoning Commission (P&Z) and Zoning Board of Appeals (ZBA) relating to and/or affecting open space, greenbelts, the Lake Pocotopaug watershed area, the Salmon River, the Connecticut River and other streams and tributaries of same and other natural resources within the Town of East Hampton. All applications shall be submitted to the Commission within five business days of receipt by the IWWA, P&Z, and ZBA. Any Commission advisory opinion shall be rendered in sufficient time to enable the IWWA, P&Z and ZBA, and other Town agencies and commissions, to review and act upon the application within the time prescribed by state statute, when applicable.

3.2 Create a Watershed Management Plan

15 Points

Approved Information: 3.2.1 - 15 points

Supporting Documentation:

Please see the link and screenshot above for more details. 3.2.1.c - Lake Pocotopaug Watershed Map https://www.easthamptonct.gov/DocumentCenter/View/587/URA-Change-PDF 3.2.1.d - East Hampton Watershed Management Plan - a comprehensive US EPA nine elements watershed-based plan that identifies improvements necessary to allow recreational use to be fully supported in Lake Pocotopaug.

Partners: The Town of East Hampton contracted with North East Aquatic Research to design a 9 Point Watershed Plan that focused on cleaning up the watershed to help eliminate or reduce nutrient loading into Lake Poctopoaug. This plan has been instrumental for the town to secure grant funding to help develop and implement BMP's throughout our watershed, the plan also incorporates changes from the Planning and Zoning Commission recently which recently amended their protection zone regulations to help maximize water pollution prevention and ensure enforcement authorities were identified by creating and adopting a town wide Low impact Development plan of action.

Additional Information: In 2006, the Town of East Hampton created the Lake Pocotopaug Conservation

Commission to protect Lake Pocotopaug, the Connecticut River, and other streams and tributaries of same within the Town of East Hampton by: • Providing a Watershed Management Plan with annual updates that protect the environmental aspects of the Lake Pocotopaug ecosystem and watershed area and other possible watershed management areas, including but not limited to the Connecticut River, Salmon River and Pine Brook, improves water quality and ensures appropriate ongoing maintenance and monitoring. • Evaluating and monitoring the environmental and biological needs and conditions of Lake Pocotopaug, the Salmon River, the Connecticut River, and other streams and tributaries of same within the Town of East Hampton and actively investigate grant opportunities. • Keeping an index of all open areas, publicly or privately owned, including open marshlands, swamps and other wetlands, for the purpose of obtaining information on the proper use of such areas and may, from time to time, recommend to the Planning and Zoning Commission plans and programs for the development and use of such areas, which may include the acquisition of conservation easements. • Recommending the acquisition of land and easements to the Town Council for the purpose of open space or recreational use. The Commission, upon approval of the Town Council and Town Meeting, may receive gifts of land and easements in the name of the Town of East Hampton for purposes not inconsistent with this chapter. • Recommending to the Town Manager or designee best management practices for land management on Town-owned properties. • Being the advisory resource of information from and among each of the Town agencies with respect to any aspect of conservation of natural resources, including water resources. • Providing a Watershed Management Plan with annual updates that protect the environmental aspects of the Lake Pocotopaug ecosystem and watershed area and other possible watershed management areas, including but not limited to the Connecticut River, Salmon River and Pine Brook, improves water quality and ensures appropriate ongoing maintenance and monitoring. • Evaluating and monitoring the environmental and biological needs and conditions of Lake Pocotopaug, the Salmon River, the Connecticut River, and other streams and tributaries of same within the Town of East Hampton, and actively investigate grant opportunities. Furthermore, the Commission: a) on a periodic basis, but not less than annually, report to the Town Council the environmental conditions of open space, greenbelts, Lake Pocotopaug and its watershed, the Salmon River, the Connecticut River, and other streams and tributaries of same within the Town of East Hampton, any changes in conditions, and recommend steps to remediate or improve such conditions. b) work in cooperation with state environmental agencies to conduct water quality management studies, establish educational programs and disseminate information regarding the care, preservation and protection of Lake Pocotopaug, the Salmon River, the Connecticut River and other streams and tributaries of same within the Town of East Hampton by area residents and the general public. c) review all applications submitted to the East Hampton IWWA, Planning and Zoning Commission (P&Z) and Zoning Board of Appeals (ZBA) relating to and/or affecting open space, greenbelts, the Lake Pocotopaug watershed area, the Salmon River, the Connecticut River and other streams and tributaries of same and other natural resources within the Town of East Hampton. All applications shall be submitted to the Commission within five business days of receipt by the IWWA, P&Z, and ZBA. Any Commission advisory opinion shall be rendered in sufficient time to enable the IWWA, P&Z and ZBA, and other Town agencies and commissions, to review and act upon the application within the time prescribed by state statute, when applicable.

3.3 Engage in Watershed Protection and Restoration

30 Points

Approved Information: 3.3.1- 30 points

Supporting Documentation:

WORD: 3.3.1 WATERSHED PROTECTION AND RESTORATION PROJECTS.DOCX

PDF: 3.3.1 WATERSHED PROTECTION AND RESTORATION PROJECTS (2020-2024).PDF

PDF: 3.3.1 ORDINANCE ESTABLISHING THE LAKE POCOTOPAUG COMMISSION.PDF

IMAGE: 3.3.1 WATERSHED PROTECTION AND RESTORATION PROJECT STATUS 2026.PNG

PDF: 3.3.1 LAKE POCOTOPAUG NINE ELEMENTS WATERSHED BASED PLAN.PDF

WORD: 3.3.1 JUSTIFICATION FOR WHY RESTORATION PROJECTS WERE NOT PART OF THE WATERSHED PLAN.DOCX

Documentation Details: 3.3.1 Watershed Protection and Restoration – Provides a list of the grant projects completed and scheduled for Lake Pocotopaug watershed water quality improvement projects. 3.3.1 Watershed Protection and Restoration Projects (2020-2024) – a map of water quality improvement projects shown on the map of East Hampton – Lake Pocotopaug 3.3.1 Watershed Protection and Restoration Project Status 2026 – Google Earth screenshot of Lake Pocotopaug water quality improvement projects. 3.3.1 Ordinance Establishing the Lake Pocotopaug Commission - A copy of the 2006 ordinance establishing the lake commission tasked with monitoring lake health and overseeing protection and restoration projects. 3.3.1 Lake Pocotopaug Nine Elements Watershed Based Plan - A copy of the 2017 Lake Pocotopaug Nine Elements Watershed Based Plan. This plan drafted by Northeast Aquatic Research for East Hampton provides the overall direction for lake watershed protection and restoration projects enacted by the East Hampton Conservation-Lake Commission.

Partners: The Town of East Hampton partnered with EverBlue Lakes to offer a solution for in-lake treatment. EverBlue Lakes incorporated 48 diffusers throughout the deepest portions of Lake Pocotopaug (Oakwood Bay and Markham Bay). These diffusers lay at the bottom of the lake and are connected by an air hose to a pump station, one located at Edgemere Beach and the other at Brookhaven Beach. Each diffuser is designed to release small bubbles that help to produce oxygen in the water column from top to bottom. Northeast Aquatic Research drafted the 2017 Lake Pocotopaug Watershed Based Plan.

Additional Information: 5 projects submitted as part of the submission information. We are asking for credit for two of them.

3.10 Facilitate Invasive Species Education and Management

5 Points

Approved Information: 3.10.3a -5 points

Supporting Documentation:

PDF: 3.10 WATERSHED EDUCATIONS - HYDRILLA FLYER.PDF
PDF: 3.10 EAST HAMPTON LAKE COMMISSION WEBSITE.PDF

Documentation Details: 3.10 Watershed Educations - Hydrilla Flyer.pdf • This document was developed to educate East Hampton residents of the risk of aquatic invasive species and the requirement to clean, drain, and dry your watercraft after every use. The document is on East Hampton's Conservation-Lake Commission's page on the left-hand side under "Hydrilla PDF" https://www.easthamptonct.gov/1375/Conservation-Lake-Commission

Partners: None

3.12 Enhance Pollinator Pathways

40 Points

Approved Information: 3.12.1 - 5 points; 3.12.2 - 15 points; 3.12.3 - 20 points

Supporting Documentation:

PDF: 3.12.3 - POLLINATOR RESOLUTION - SIGNED.PDF

PDF: 3.12.1 - POLLINATOR EDUCATION OUTREACH.PDF

Documentation Details: 3.12.1 - Pollinator Education Outreach 3.12.1 - Screenshots (x3) of the page on the East Hampton Town Website with useful Pollinator Pathway information for town residents. https://www.easthamptonct.gov/1767/Pollinator-Pathway 3.12.2 - Library Pollinator Garden (info all included in this document) 3.12.3 - Pollinator Resolution - signed.pdf - Signed copy of approved Pollinator Pathway Resolution 3.12.3 - TC Minutes Regular Meeting 12May2026.pdf - Meeting minutes of Town Council meeting when Pollinator Pathway Resolution was approved.

Partners: 3.12.2 The East Hampton Public Library received a "Seeds for Education Grant" from the National Organization, Wild Ones. The grant funded the purchase of native plants for the garden. Three local businesses, Ace Hardware, Paul's and Sandys, and Colchester Rental donated garden hoses, compost and mulch, and the use of a sod cutter.

4. Vibrant and Creative Cultural Ecosystems

4.1 Inventory Tourism and Cultural Assets

5 Points

Approved Information: 4.1.2 - 5 points

Supporting Documentation:

PDF: 4.1.2 - EAST HAMPTON - MUNICIPAL PROFILE CTVISIT WEBSITE.PDF

Documentation Details: 4.1.2 East Hampton - Municipal Profile on the CTVisit website document includes a hyperlink and a screenshot of your municipal profile; date of last profile update, and a brief description of what content has been added in the last three years.

Partners: None

4.2 Support Arts and Creative Culture

5 Points

Approved Information: 4.2.10 - 5 points

Supporting Documentation:

PDF: 4.2.10 EVENT PROMOTION EH LIBRARY

Documentation Details: The 4.2.10 Event Promotion EH Library.pdf shows and explains the promotional materials distributed for a town library event. The East Hampton Library's Summer Reading program was promoted on the town's Facebook page on June 14, 2024.

Partners: 4.2.10 The East Hampton Public Library hosted this event.

5. Dynamic and Resilient Planning

5.5 Inventory and Assess Historic Resources

10 Points

Approved Information: 5.5.1 - 10 points

Supporting Documentation:

EXCEL: 5.5.1 - HISTORIC RESOURCE INVENTORY.XLSX

PDF: 5.5.1 - HISTORIC RESOURCES INVENTORY DOCUMENTATION.PDF

Documentation Details: 5.5.1.- Historic Resource Inventory provides a list of historic assets within our community and actions required to sustain their long-term viability. Actions are provided for assets that are municipally-owned;. A short description of each location is provided and noted if the location is privately or municipally owned. 5.5.1 - Historic Resource Inventory Documentation is a pdf with a screenshot showing the inventory's presence on the town website along with links. The link to the inventory on the municipal website is on the lefthand side and should directly open the inventory. Both the inventory and the posting on the East Hampton Town website were done June 2026.

Partners: 5.5.1 (historic resource inventory): East Hampton's Chatham Historical Society was an indispensable resource for identifying and documenting local historic assets.

6. Clean and Diverse Transportation Systems and Choices

6.4 Support Zero Emission Vehicle Deployment

5 Points

Approved Information: 6.4.1 - 5 points

Supporting Documentation:

PDF: 6.4.1 - HOST ZEV PROMOTIONAL EVENT.PDF

Documentation Details: 6.4.1 - Host ZEV Promotional Event document provides a brief overview of the event, including the community partner, and an examples of educational materials disseminated.

7. Renewable and Efficient Energy Infrastructure and Operations

7.7 Implement a Community Energy Campaign

10 Points

Approved Information: 7.7.1 - 10 points

Supporting Documentation:

PDF: 2.1 MONTHLY REPORT DEC 2025
PDF: 2.1 MONTHLY REPORT NOV 2025

PDF: 7.7.1 HEATSMART EAST HAMPTON FLYER DISSEMINATED .PDF
IMAGE: 7.7.1 AD IN RIVEREAST NEWSPAPER.PNG

Documentation Details: Monthly Reports detail what outreach efforts were made each month and how many people signed up for the program to get a house assessment. Reports run through March of 2026, but the program has been extended through Likely Q4 of 2026, so we can continue to add information on this outreach.

Partners: We partnered with the following groups for this program: River COG Portland Clean Energy Task Force PACE Eversource Energize CT

7.9 Participate in and Promote the C-PACE Program

20 Points

Approved Information: 7.9.1- 20 points

Supporting Documentation:

PDF: 7.9.1 EAST HAMPTON CPACE AGREEMENT EXECUTED.PDF
PDF: 7.9.1 EAST HAMPTON MUNICIPAL WEBSITE - CPACE LINK.PDF

Documentation Details: 7.9.1 East Hampton CPACE Agreement EXECUTED is a copy of the resolution passed by East Hampton Town Council. 7.9.1 East Hampton Municipal Website - CPACE Link is a screenshot of the East Hampton Municipality website with a link posted to the Green Bank / CPACE https://www.easthamptonct.gov/1379/Clean-Energy-Task-Force

Partners: None

8. Inclusive Engagement, Communication and Education

8.1 Hold a Sustainability Event

20 Points

Approved Information: 8.1.1 - 20 points

Supporting Documentation:

PDF: 8.1 - JANUARY 2023 CLEAN ENERGY FAIR PUBLICITY FLYER.PDF

PDF: 8.1 - NOVEMBER 2023 CLEAN ENERGY FAIR PUBLICITY FLYER.PDF

EXCEL: 8.1 - HOLD A SUSTAINABILITY EVENT WORKSHEET- EAST HAMPTON.XLSX

Documentation Details: 8.1 - Hold a Sustainability Event Worksheet - East Hampton lists the events. 8.1 - January 2023 Clean Energy Fair Publicity Flyer is the flyer for the first energy fair event. 8.1 - November 2023 Clean Energy Fair Publicity Flyer is the flyer for the second energy fair event.

Partners: 8.1.1 Hold a Sustainability Event Energy Fair Partners / Participants - PACE (People's Action For Clean Energy) - Eversource (Electrical Utility) - Newington Electric (EV Chargers) - Airline Cycles (E-Bikes) - PosiGen Developer, LLC (Solar) - Sustainable CT (Community Funding) - Earthlight Technologies (Solar) - Valley View / Mercury Excelum (Windows) - Absolute Air Services, LLC (HVAC) - Lantern Energy (Energy Conservation) - Frontier (Internet)

8.5 Engage in a Sustainable CT Mentorship with Other Municipalities

5 Points

Approved Information: 8.5.1 - 5 points

Supporting Documentation:

PDF: 8.5 - WORKSHEET_1

Documentation Details: 8.5.1 - Completed Worksheet 1 detailing collaboration between East Hampton and several other municipalities in developing East Hampton's pollinator pathways

Partners: 8.5.1 - None

9. Strategic Materials Management

9.3 Recycle Additional Materials

10 Points

Approved Information: 9.3.1 - 10 points

Supporting Documentation:

PDF: 9.3.1 RECYCLE ADDITIONAL MATERIALS EAST HAMPTON.PDF

Documentation Details: https://www.easthamptonct.gov/1339/Electronics-Recycling

Partners: 9.3.1 (none)

10. Optimal Health and Wellness Opportunities

10.7 Improve Outdoor Access for All

5 Points

Approved Information: 10.7.1 - 5 points

Supporting Documentation:

PDF: 10.7.2 - WORKSHEET_1.PDF

PDF: 10.7.2 - SITE WALK MAP

PDF: 10.7.1 IMPROVE OUTDOOR ACCESS FOR ALL.PDF

Documentation Details: 10.7.1: Outdoor activities hosted by East Hampton Parks and Recreation Department 10.7.2: A completed worksheet describing the assessment event, participation, and feedback; a pdf of a map of the area assessed is also included.

Partners: 10.7.2: None

11. Healthy, Efficient and Diverse Housing

11.2 Grow Sustainable and Affordable Housing Options

20 Points

Approved Information: 11.2.2 - 20 points

Supporting Documentation:

PDF: 11.2 - 2023 AFFORDABLE HOUSING APPEALS LIST.PDF

WORD: 11.2 - 2025 AFFORDABLE HOUSING APPEALS LIST FOR POSTING 6.DOCX

Documentation Details: In 2025, 3.81% of the housing stock was affordable. In 2023, 3.21% of the housing stock was affordable. 3.81-3.21 = .6, so we are requesting 20 points for this action.

Partners: 11.2.2 (none)

12. Effective, Compassionate Homelessness Prevention

12.2 Increase Public Awareness and Support for Efforts to End Homelessness

5 Points

Approved Information: 12.2.2 - 5 points

Supporting Documentation:

PDF: 12.2.2 - 211_DOCUMENTATION

Documentation Details: The PDF "12.2.2 - 211 Documentation" provides a screenshot of the webpage and accompanying link to where the 211 information is displayed on the town website.

Partners: 12.2.2 None

13. Innovative Strategies and Practices

13.1 Implement Your Own Sustainability Action

20 Points

Approved Information: 13.1.1 - 20 points

Supporting Documentation:

PDF: 13.1.2 BELLTOWN FOOD HUB WORKSHEET.PDF

PDF: 13.1.1 SENIOR CENTER TASK FORCE SURVEY AND SERVICES IMPROVEMENTS.PDF

PDF: 13.1.2 BELLTOWN FOOD HUB CETF RESOLUTION.PDF

PDF: 13.1.1 ATTACHMENT - SCSTF FINAL REPORT WITH APPENDICES.PDF

Documentation Details: "13.1.1 - Senior Center and Services Task Force Survey and Services Improvements.docx" - provides a summary of the Senior Center and Services Task Force efforts to survey the community to improve services . "13.1.1 Attachment - SCSTF Final Report with Appendices" - is the East Hampton Senior Center and Services Task Force End of Year Report (Jan. 2026), attachment referenced in "13.1.1 - Senior Center and Services Task Force Survey and Services Improvements.docx". "13.1.2 Belltown Food Hub worksheet.pdf" - describes the initiative to benefit East Hampton residents by creating a durable, community-anchored infrastructure for food security that complements but does not depend on government programs. "13.1.2 Belltown Food Hub CETF Resolution" - provides evidence of municipal involvement and support.

Partners: Action 13.1.1 was performed with support from the East Hampton Senior Center staff, the Senior Center and Services Task Force (SCSTF), and East Hampton Town Council. Action 13.1.2 was performed in coordination with the East Hampton Food & Fuel Bank, Epoch Arts Food Pantry, and East Hampton Food Fight.

Additional Information: Action 13.1.1 was completed using the "Equity Toolkit." For that reason, this action is also being submitted under "Action 1.1: Optimize for Equity." Action 13.1.2 Belltown Food Hub consists of an ad hoc steering committee made up of community organizations including the Food Pantry, Food Bank, church representatives, voluntary municipal department representatives, concerned residents, technical support. This committee established and launched the BELLTOWNFOODHUB.COM. Its Mission Statement: The Belltown Food Hub believes that no person should experience food deprivation. In times of great need, like we are experiencing right now, we believe that Communities must step up and meet the challenge. We are a group of community volunteers drawn from many organizations and backgrounds. We are nonpartisan, nongovernmental, non-institutional, non-sectarian. Our only common purpose is our belief that every belly should be filled with nutritious food. We do not care about your political affiliation, we do not care about your background or position, nor the circumstances that bring you to this hour of need. And we are not willing to sit back and wait for others to step up. We seek like minded community members and organizations that share our cause, and who want to HELP. The committee meets as required, and the current distribution includes 30 individuals across an array of interested groups.
