Sustainable CT Community Certification Report

This is the Sustainable CT Certification Report of Lyme, a Sustainable CT bronze certified applicant.

Lyme was certified on October 01, 2026 with 330 points. Listed below is information regarding Lyme's Sustainable CT efforts and materials associated with the applicant's certified actions.

Contact Information

The designated Sustainable CT contact for Lyme is:

Name:	JOHN KIKER
Title:	SELECTPERSON
Phone:	860-434-7733

Actions Implemented

Each approved action and supporting documentation for which Lyme was approved for in 2026 appears below. Please enjoy this opportunity to view and learn from the information and materials provided.

Notes: Submission content was created by Lyme, and Sustainable CT makes no claims, promises or guarantees about the accuracy, completeness, or adequacy of the submission, beyond that an individual reviewer approved at least some elements of the action for certification. Further, standards for actions below may have changed, and the documentation listed may no longer satisfy requirements for that action. Finally, approved actions here may include some documents and descriptions in support of action elements that were not approved, in addition to elements that were approved. In preparing your own application, please rely only on the action write-ups for the current certification year to guide your submission. Please contact info@sustainablect.org with specific questions.

1. Inclusive and Equitable Community Impacts

1.1 Optimize for Equity – REQUIRED for All Certification Levels

10 Points
