BRONZE 2023: POINTS EARNED BY CATEGORY

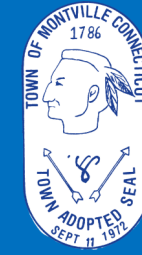

Montville in the Community Match Fund: the Horton Cove Trail Project

The Horton Cove Trail is an Eagle Project led by Tyler Lawton of Troop 93, Uncasville. The goal was to allow more people easy access to the many benefits of outdoor recreation in a safe and environmentally-friendly way by creating an educational trail. Developed in conjunction with the Town of Montville, Troop 93, Sustainable CT, and local businesses, the Horton Cove Trail connects community members with the history and beauty of the area.

Engaging with youth: a Montville Success Story

The Montville Youth Action Council, in conjunction with the Montville Youth Services Bureau, developed and administered a survey to assess the effects of COVID-19 and social media on the mental health of Montville students. The survey results inspired the "What's in Your Head Should be Said" campaign. The campaign increases awareness about mental health and self-care through social media blasts, posters, and billboards.
