2023 SUSTAINABLE CT

CERTIFICATION SUCCESS REPORT

Taking action.  
**Making an impact.**  
Celebrating success.

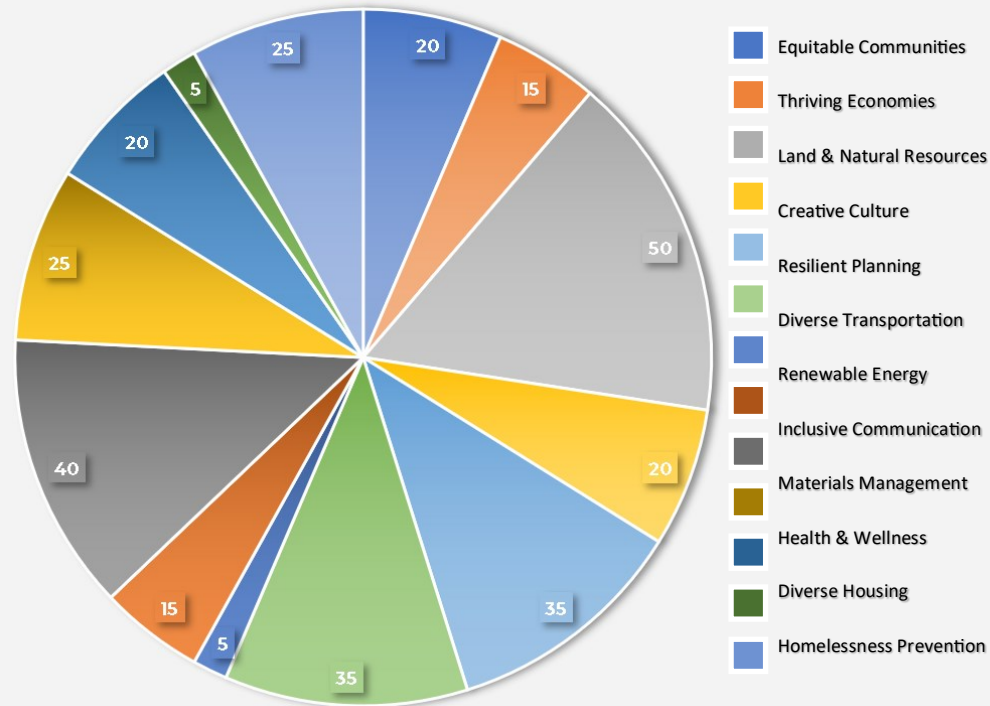

### Trumbull achieved Bronze Certification on September 27, 2023 with 310 points.

Trumbull registered with Sustainable CT in 2018. Since registering, the town has held three certifications: Bronze in 2020; Silver in 2021; and Bronze once again in 2023 with 310 points.

Trumbull, blends suburban comfort with a touch of rural serenity. Its green landscapes, top-rated schools, and welcoming community create an ideal environment for families. With a rich history and vibrant local culture, Trumbull offers a variety of recreational opportunities, from parks and trails to cultural events. Residents enjoy a variety of dining options, boutique shops, and cultural attractions that showcase the town's rich history.

### Creating sustainable action: the Trumbull Local Meals Program

The Trumbull Local Meals program was created to help meet the needs of vulnerable residents and small businesses. By connecting them through a single program, local restaurants serve as a source of meals for people in the community who are food insecure. The program supports the long-term recovery of local restaurant businesses adversely affected by COVID shut-downs while also mitigating hunger and food insecurity.

### Improving air quality in public spaces: a Trumbull Success Story

Trumbull Parents Against Underage Drinking and Drugs (TPAUD) is a community coalition dedicated to engaging and mobilizing youth, parents, and community partners to reduce youth alcohol, drug, tobacco/vaping use and create a safe and healthy community. Working closely with 12 community sectors, TPAUD fosters community awareness, education, outreach, access channels and enforcement.

# ABOUT Sustainable CT

Local Actions. Statewide Impact.®

**Sustainable CT** is a free, voluntary certification program that supports and recognizes thriving and resilient Connecticut municipalities. An independently funded, grassroots effort, Sustainable CT provides a wide-ranging menu of best practices. Municipalities choose Sustainable CT actions, implement them, and earn points toward certification.

Sustainable CT also provides opportunities for grant funding through its **Community Match Fund program** to help communities promote economic well-being and enhance equity, all while respecting the finite capacity of the natural environment. The program is designed to support all Connecticut municipalities, regardless of size, geography, or resources.
